Dear Sir –

I write you these few lines to inquire if you are in want of a first class tool & die maker one that had a good experience on blanking & piecing cutting & drawing dies. Foot & stamp pieces, tool stamps, reamers, threading dies, and tool work in general. Consider myself a first class all around man but make die work my specialty. I have just arrived in this city from Boston brass in search of a position. I can give a #1 references if you can do anything for me I should be please to have you give me trial. I have been receiving $3.50 per day. If you would like to interview me, I will call on you if you will kindly state place & time. I remain yours most respectfully.
